DIRECTOR'S REPORT FOR JANUARY 18, 2024

ADMINISTRATIVE REPORT:

1. Staff:

- Kaylee has her 2nd surgery on her other leg towards the end of February. She did not anticipate it happening this quickly, but she's excited to have it done. Unfortunately, she's not been able to build up enough leave time for her extended absence, so some of her time will be unpaid. She does plan on trying to do some remote work likely 2 weeks post-surgery. We anticipate her being out at least 3 weeks. Staff is working on planning to cover during her absence.
- We are continuing our search for a new Staff clinical consultant.
- We have a new OUHSC student beginning with TH in the spring semester. Jack Hartgrave is a Public Health student with an interest in going into direct mental health service work. He'll likely be spending more time with the clinical staff while at TH.

2. Board:

- Hopefully Jacey Goerlitz will be ready to be presented as a candidate in January.
- We need to continue Board recruitment efforts.
- Impact Statements: Just a reminder to get your TH Impact Statement to me if you haven't already done so.
- 3. Cleveland County Mental Health Task Force: Meetings start back in January. I sent the Zoom invitation to the Board.
- 4. Norman Resource Fair: Amanda has been working closely with others to help make the Norman Resource Fair possible. The event is happening on Friday, Jan. 19 from 1-5 at the Well. There are over 50 organizations represented. This is something we hope will continue on a regular basis again. It's been a lot of time and effort, but this is a big help for many. Great job Amanda!
- 5. TH Policy Work: Amanda and Alex are continuing to make excellent progress on Clinical Policies and Procedures. This will provide us with a solid baseline document for our agency, while also providing needed information as we consider pursuing becoming a Preferred/Best Practice. As Amanda has been working on this, she's realizing the need to expand information beyond our current policies so I'm encouraging her to take her time and continue her very thorough work rather than trying to rush through the process.
- 6. <u>Donor Tracking Tool Bloomerang:</u> Progress is being made with using this tool. I think Ilene could use some additional support with this.
- 7. TH Office Space & Drop-In Center: The property that houses our office & Drop-In Center has been sold to Peter Petromilli. He and Linda came by the office Jan. 8. We had a very good brief meeting. He feels we can remain in our current space for at least 12 to 18 months and he is still contemplating his plans for the future of the property. He assured me that he will work closely with TH if we do need to relocate our office and Drop-In Center. He mentioned office space at the Railhouse.
- 8. TH's Vision for Growth: I met with Sara to discuss our agency's visions for potential growth. Executive Committee is meeting Jan. 12 to discuss this further. There are many variables as well as opportunities, so I want to ensure that we have a clear and solid plan and everyone is on the same page with the plan once it's developed so we are all working together to achieve our goals. The new round of ARPA funds available through UWN opens up some new possibilities. That RFP has a very quick turnaround I believe 2 weeks in April, so I want to be well prepared going into the process.
- TH Shirts: The JBJ shirts are a hit and getting lots of attention! Clients really like them and I've had some really
 positive feedback on social media with people expressing interest in getting a shirt.

FINANCE REPORT:

- 1. Financial status/Bank Balance: Preliminary Bank Balance for end of December 2023 = \$132,979.52. We had some very generous donations in December including two \$2,000 gifts. One from Mark & Libby Gillett and the other from the Brinkley Foundation. Both have been regular donors. We also received a \$1,000 gift from Alicia Boscarelli and a \$500 gift from Kristen Dillon. Clients have been doing some watercolor paintings that are on paper that can be used as Thank You note cards. I'd like to get back into our routine of having the Board sign Thank You's at Board meeting and/or create another means to be more intentional with our Thank You process.
- 2. <u>United Way:</u> I will be completing our 2 UWN LOI's (Letters of Intent) for the TLP (Transitional Living Program) & COP (Community Outreach Program very soon. The Finance Committee reviewed the preliminary FY'25 Budget proposal for the UWN applications.

FUND RAISING:

- 1. <u>Donor Drive for FY'24</u>: Kick off is Dec. 15, 2023! Thank you all for your work on this! (see comments in the Financial Report above)
- 2. JBJ'24: JBJ'24 is set for June 1, 2024 at The Well. We need to start having Sponsor & Production Committee meetings soon. We received our first JBJ'24 Sponsorship from Steve Boyer! He's always so proud when he can be a JBJ Sponsor!

CLIENT REPORT:

- 1. TL Program Census: Census is 10 with a new person moving in early next week.
- 2. Challenges: Sadly, we had a client who decided to leave the TLP earlier this week. He had relapsed and we were trying to work with him, but he decided he wanted to leave and freeze to death. This situation started Tuesday afternoon and by Thursday, staff was able to get enough of a statement of his plan and desire to die by freezing that we were able to contact COCMHC's Mobile Crisis Unit. They worked with our staff to get what was needed and along

with the help of NPD, the person was finally transported to Red Rock Crisis Center. This is someone we have worked with for a long time. The holidays and his birthday are major triggers. We will continue to do our best to support his as an Outreach client.

- 3. <u>Successes:</u> One of our clients who had been in the TLP for almost 2 years, secured his disability and was able to complete the TLP successfully! It was a long journey and he did a great job working with our staff. Another client, who had been struggling with significant depression issues, has been able to secure and maintain a job that he really enjoys and he's preparing to move out of the TLP. He reports significant improvements related to his depression and is beginning to experience life with some joy.
- 4. Holiday Party/Open House: The Holiday Party/Open House was outstanding! Probably one of the best attended events in years. Along with clients, we had Board members and community members/donors. Staff did a great job with the shopping for everyone so there was lots of excitement with the gifts. The games that they planned were a big success and it was wonderful to see the connections and engagement. Special Thanks to Rebecca and Kelly for being our Santa's and for being a part of the fun.
- 5. <u>Giving Hope:</u> While we've had some challenges, we're reminded that through connections, determination, and partnerships, there is hope! It's not always easy and during the moments of frustration, it can be easy to give up... but it's our People who remind us, there is hope. People can and do change! I am very grateful for our many connections and partnerships that help celebrate successes as well as work together during the challenges to help people find their hope.

Success and Hope Grow as we work Together with a Common Vision! Thank You All for being so Kind & Caring!

IV. NARRATIVE										

December is a very special time at Transition House. The annual Holiday Party/Open House is our time to celebrate with our People, Staff, Board, and Community Guests. Special Thanks to our Board and Louie's on Campus Corner for hosting the celebration. Thanks to some of the funds from our OEC Foundation grant for helping us get some really nice gifts for both TLP & COP clients. This year's event had some special games as well that helped keep everyone engaged and having fun. As much as we are very aware that this is often a time of challenge for the people we serve, our Staff & Board went above and beyond to ensure the best possible holiday season for all. Thank You all very much. There was a lot of joy, fun and connection.

Staff was grateful for the opportunity to participate in the ODMHSAS 2023 Momentum Conference. This was the best conference we've been able to attend since COVID hit, so we were very excited for the sessions as well as the networking opportunities. Thanks to everyone from ODMHSAS who worked so hard to put on an outstanding opportunity for all of us.

Time was spent this month doing some updates to the TH website, including

a new newsletter and new Transitionisms. We're also excited about starting to share information about our upcoming June Bug Jam 2024. This year's theme is "Your Story has Power". T-shirts have already been created and were shared during the Holiday Party. We hope this theme will help empower even more people to share their stories of recovery and hope for healing not just during June Bug Jam, but throughout the year.

Thanks to our Staff for working hard to keep a full census for almost the entire month of December! We were 2 TLP days short of being at maximum capacity for the month of December. We did have 1 client successfully transition out of the TLP at the end of the month. This is someone who had been with us for almost 2 years and had many challenges and barriers to overcome while in the TLP. We are very happy that he was finally able to gain the tools and resources he felt he needed to move out of the TLP. And of course, he'll continue to be supported through the COP. We're also very happy for another client who fought hard to work through significant periods of depression to finally arrive at a place in his life where he's experiencing a sense of pride and joy. These are just a couple of examples of people who came to the TLP at very low points in life - and they worked with our staff to not just find a sense of healing and recovery, but also to begin experiencing pride and joy. Again, Thank You so our Clients who do their best to change their lives, and Thank You to our Staff for standing by each individual through their unique journeys!
